I signed the papers detailing
the requested people to "Grill Flam" for

18 months.

I'm not too happy about doing
that because they are out of date and
it hurts the people we took them from.
I think 18 months was too long and if
people want the project they should give
some resources.

So - I don't know our negotiations is
I would like to see you establish some
* what are we trying to do? - what is our
time table? W.E.T. 1 July 80 I want to
reviewer in detail where we are - where we

are going and reaffirm the continued need for the people we detailed to the project.

whose sons
to do this?
Dir. C.I.T. Galle
Committee to this.

→ I want a final review of the program with conclusions and recommendations for future involvement.

We are making a good rise in terms of people and I want direction to

it.
